THE FACULTY OF RADIOLOGISTS is a society formed in 1939 to encourage the study and improve the practice of radiology.

Membership of the Faculty is open to medical practitioners who hold a recognised radiological qualification and who are engaged exclusively in the practice of radiology.

Fellowship of the Faculty is a higher radiological qualification obtained by examination. An examination for the Fellowship is conducted twice a year by the Fellowship Board.

Scientific meetings are held on the third Friday in each month from October to June. Particulars of membership, etc., may be obtained from the Honorary Secretary.

CLINICAL RADIOLOGY: The Journal of the Faculty of Radiologists is published quarterly, in January, April, July and October. *Subscription* to non-members £10.00 ($30.00) a year, including postage, payable in advance. Single copies £2.50 ($9.00). *Binding* cases (cloth with gilt lettering) for all Volumes may be obtained from the Publishers, who will also undertake the binding if required.
